

October

Aloha! This month we are focusing on Breast Cancer Awareness. We look forward to seeing everyone at this month's *Think Pink Bunco* Social!

The pink ribbon lapel pin is the symbol used to increase awareness about breast cancer. October is Breast Cancer Awareness month and wearing a pink ribbon is a way to honor survivors, pay tribute to those lost to the disease, and to support the progress being made to defeat breast cancer. (www.cancer.org)

This month, we encourage you to wear a pink ribbon and join us in the fight against breast cancer.

According to www.breastcancer.org About 1 in 8 women in the United States (12%) will develop invasive breast cancer over the course of her lifetime. About 1,970 new cases of invasive breast cancer were expected to be diagnosed in men in 2010. Less than 1% of all new breast cancer cases occur in men.

In 2010, there were more than 2.5 million breast cancer **SURVIVORS** in the U.S.

Being well informed and catching it early is the best way to stop breast cancer. To learn more please go to www.breastcancer.org

President's Message

Aloha and welcome to all!

First, I would like to give Jessie Higa a big shout out for doing an excellent job during our September Lei making event. Jessie's story, knowledge, experience, and many acts of kindness in Lei making have touched many hearts in our community. She continues to give of herself and continues to make a difference by sharing her time, effort and her story of Lei making. Thank you Jessie for your time, hard work and donations to our community, to HOSC and for sharing your Aloha!

Second, this month is a very special month! Our October event is in honor of Breast Cancer awareness month. This month's theme is "Think Pink Bunco." Please come and join us for our October 18th event. This will be a costume Bunco dressed in Pink. We will have many prizes to give away and it will be a great way to have fun with your friends and neighbors. For reservations please contact Peggy Phillips at reservation@hickamosc.com.

Lastly, I would like to thank everyone for your participation in attending our monthly events and for those who work hard volunteering and giving their time on the HOSC board and in the Thrift shop. Time spent volunteering and working at our thrift shop is time that translates into helping out in our community. Our profits go to charities in our community reaching out and helping those in need of assistance. Please check out our website at hickamosc.com for more information or you may contact me at president@hickamosc.com.

Mahalo,

*Aimee Henson
HOSC President*

QUESTION OF THE MONTH???????

What is the funniest Halloween Costume you have ever worn or seen someone else wear?

Responses to September Question: What are some of the "must sees" for your out of town guests while they are on the island?

When we have out of town guests, we make sure to take them to the Paradise Cove Luau. It is great for families and there is a ton to do. Everyone we take says that it makes them feel like they got the "real" Hawaiian experience.

Jayne Toerner

(Check out the November Issue for responses to this month's question) To respond to this question please email kaleo@hickamosc.com by Oct. 20th.

Did you know...?

Historian/ Stacy Roman

Hello! I am Stacy Roman. My family and I arrived here in July from Barksdale AFB in Bossier City, LA. My husband, Mark, works at PACOM and we have two children: Gavin is 8 and Lauren is 5. We were so grateful and happy to get this assignment as my husband's family lives on the Big Island. I originally hail from Northern California, so it's nice to have a direct flight home to visit. I love doing outdoorsy things and have been enjoying all of the adventures and exploring that the islands have to offer. I look so forward to meeting new people and making new friends.

Publicity & Newsletter/ Jayme Toerner

Hello! My name is Jayme Toerner. I am so excited to be part of this year's OSC. We have been here a little over a year and we are definitely enjoying the weather among other things. My husband works for the 352nd Network Warfare Squadron. We have two children, Michael who is 5 and Willow who is 1. I am currently a stay at home mom and loving it so much. My husband and I are both from San Antonio, TX where we met when we were 10 years old at Lackland Elementary School while our fathers were stationed there. I am a military brat through and through and I am so happy that I get to raise my children in the military lifestyle. I have met so many great people here so far and I can't wait to meet more.
